Ready when you are....

Looks like you're still thinking over **Invoice2go Card Payments**. We get it. Deciding whether to commit can be tough. We're here to make it easier with a rundown of the benefits you'll enjoy if you turn this situation into a relationship.

Make it official

With Invoice2go Card Payments, you can:

Get paid faster. Accept Visa, Mastercard, and American Express online and in-person, anytime. Any cleared payments get transferred to your bank account on a daily basis.

Save time on data entry and other admin. Invoices are automatically marked as paid.

Easily stay on top of your cash flow. No more bouncing from one app or service to another to keep tabs on incoming payments.

Questions? We've got you:

- **Are there transfer limits?** There are no limits on transfers of Invoice2go Card Payments to Invoice2go Money bank accounts. Daily and monthly limits apply to transfers of card payments to external bank accounts, [depending on your history with Invoice2go and app usage.](#)

- **Are there fees?** A fee will be deducted from the amount your customer pays you, and will [depend on your Invoice2go plan and the card used](#).
- **Still have questions?** Check out our [FAQs](#) or contact our dedicated [support team](#).

Setup takes less than 5 minutes. Get approved and start accepting secure card payments within 24 hours. Don't let Invoice2go Card Payments be the one that got away.
